The Lost Dr. Seuss Poem ... I love my Job, I do, I do ...

I love my job, I love the pay.
I love it more and more each day.
I love my boss; he/she is the best.
I love his boss and all the rest.
I love my office and its location.
I hate to have to go on vacation.
I love my furniture, drab and gray,
And the paper that piles up every day.
I love my chair in my padded cell.
There's nothing else I love so well.
I love to work among my peers.
I love their leers and jeers and sneers.
I love my computer and its software;
I hug it often though it don't care.
I love each program and every file,
I try to understand once in a while.
I'm happy to be here, I am, I am;
I'm the happiest slave of my Uncle Sam.
I love this work; I love these chores.
I love the meetings with deadly bores.
I love my job-I'll say it again.
I even love these friendly men,
These men who've come to visit today
In lovely white coats to take me away
